Ciardi Ciardi & Astin Sponsors Military Assistance Project Climb Team

January 15, 2015

On December 26th, a team comprised of veterans, attorneys, and community partners departed Philadelphia International Airport for Tanzania, Africa, where they embarked on a five and a half day climb up Mt. Kilimanjaro to benefit the Military Assistance Project (MAP). MAP, founded in 2011 by Albert Ciardi III of Ciardi, Ciardi & Astin, is a 501(c)(3) charity established to provide free legal services for active duty, reserve, or veteran military personnel in the form of pro bono bankruptcy services. Over \$25,000 in proceeds has been raised for the Military Assistance Project.

The MAP Charity Climb Team was comprised of attorneys, disabled veterans, MAP Board Members, and elected officials. Included in the roster of climbers are MAP Founder and Board Chairman, Albert Ciardi III and Pennsylvania State Representative Brian Sims (who missed his swearing-in-ceremony due to the trip).

Ciardi Ciardi & Astin, a proud sponsor of the Military Assistance Project & IBLC Member, would like to congratulate all the members of the 2014 Climb Team for reaching the summit of Mt. Kilimanjaro in Africa and raising money and awareness for a great cause.
